

Project: Cross Town Trail

Recipient: West Valley City

Location: West Valley City, Utah

Purpose: This trail expansion project will provide residents, businesses and other institutions with important pedestrian and bicycle access to a growing regional trail system. The Cross Town Trail will serve important new and growing residential, employment and shopping areas on the western edge of West Valley City. Increased access and reach of the regional trail network will contribute to healthy communities; will provide rich opportunities for alternative transportation to work; will offer safe and extensive recreational trails; and will reduce automobile congestion and improve air quality.

Amount: \$1,500,000
